

ABOUT US

Vpro S.R.L. is a full-service provider specialized in sport event logistics, technical setups and operational management. We have only been active for 2 years but our owner and employees have been in the Formula 1 industry for many years gaining experience required to deliver to our clients the attention and dedication for their projects.

We deliver complete, reliable, and efficient solutions for events of all scales – from small local areas to bigger international locations and lounges.

Our mission is to make every event run as smooth as possible, from concept to completion, ensuring flawless execution and high-impact experiences for sponsors and/or clients and audiences alike.

OUR SERVICES

1. Event Setup & Dismantling

We handle every stage of event interior construction and deconstruction, guaranteeing precision, safety and adherence to strict timelines.

- Venue and field infrastructure installation
- Branding implementation
- Post-event dismantling and equipment management.

2. Logistics & Storage Management

We ensure that all the materials and equipment are in the right place, at the right time.

- Transportation and delivery coordination
- Secure short- and long-term storage facilities
- Inventory control if necessary
- On-site logistics management and supervision

3. Lounge & Hospitality Setup

We design and assemble customized VIP lounges, hospitality areas and rest zones, blending comfort with brand identity.

- Lounge Walling, furniture and decoration
- Flexibility to please our clients with the design and layout planning

- Lighting solutions if necessary

4. Audiovisual Setup

From basic audiovisual requirements to immersive visual experiences, we will adjust to whatever our client needs for every project.

- AV rack for visual aids according to the specific project
- Sound design and PA systems
- Lighting setups
- Technical operations during events

WHY CHOOSE US

- Expertise: Years of experience managing major sports events across Europe and International events
- Reliability: Punctual delivery, strict safety standards and precise coordination
- Flexibility: Tailor-made solutions for events of any scale or complexity
- Sustainability: Environmentally responsible materials and processes
- Loyalty: We like the one-to-one client relationship to create a strong bond and deliver exceptional results.

OUR COMMITMENT

At Vpro S.R.L. we don't just build events – we build experiences.

Our integrated logistics and setup services ensure that every element of your project is delivered seamlessly, on ,me, and to the highest professional standards.
